

EDUCATIONAL GRANT REQUESTS

MECOMED

The New Code of Ethical Medical Practice (Mecomed) allows for the Indirect Sponsorship of HCPs through a Grant to the PAIRS Society. This grant is used to provide travel grants/awards to HCPs or Hospitals and potentially manages logistics. Mecomed regulated company can provide HCP segmentation/profiles or accounts – but cannot identify individual HCPs.

ALLOWED SHARED-INFORMATION

Regulated companies are allowed to share with the congress organizer following details:

- Number of HCPs
- Profile of HCPs (Specialty or Specialties, Area of interests, Experience)
- Name of the Account
- Contact Details of Department Head/Medical Director

GRANT PROCESS

- Regulated companies will communicate with the PAIRS organizer, which will contact the Department head/Medical Director asking him to nominate a HCP from the department.
- The PAIRS organizer will consequently manage the invitation and logistics.
- Regulated companies must not be asked directly by HCPs.
- Regulated companies must not identify individual HCPs.
- Department Head/Medical Director contacted by 3rd party cannot nominate himself/herself to the congress.
- Confirmation of the number of Sponsored HCPs is non revocable and you will be cross charged the full amount whether the Account identified a HCP or not, and whether the HCP attend or not.

The final grant agreement between regulated companies and the PAIRS organizer will be negotiated and finalized with companies' Legal and Compliance teams based on the feedback received from countries.
